May 25, 2017

Dear Bearcub Families,

Thank you for an AWESOME year of learning and growing together. This letter is to let you know about several items of interest to you and your child for next year. The school will be open Monday-Thursday most days during the summer, but there may be days that no one is scheduled to work.

Meet Your Teacher will be held on August 7, 2017 at 3:00 for Pre-K and Kindergarten only and from 4:00-5:30 for all other grades. If you would like to avoid the long lines at Meet Your Teacher, you may bring in your proof of residency and new emergency forms beginning Monday, July 24th for a "Fast Pass" to your child's teacher on the night of Meet Your Teacher.

Remember- report cards should be kept where you can easily access them for registration in various summer sports programs. Supply lists for next year can be viewed on our school website <http://crp.citruschools.org/> or they will be posted at many retail stores in our area.

Beginning next year, no cards of any type (including Pokemon), no toys (unless instructed by the teacher on special days) and no fidgets (including spinners) will be allowed at school. Please make sure your child is aware of this for next year!

Crystal River Primary School has so much to celebrate this year- it has been a successful one and full of great publicity in our local newspaper- I hope you have had the chance to check out the stories and pictures. If not, take a moment and look at the citrus County Schools' website and you can search for CRPS. Don't forget we also have a Twitter page that highlights the great happenings in Bearcub land.

On behalf of the staff, I wish you all a safe and happy summer! We look forward to seeing you on August 7th for Meet Your Teacher and the students on August 10th for their first day.

Respectfully yours,

Donnie Brown

Together, **E**veryone **A**chieves **M**ore!
